Report of the Board of Trustees for the year ended 31 March 2020

The Board presents its report and unaudited financial statements for the year ended 31 March 2020.

What we do

Following the closure of its support services in 2017, the charity was left with residual unrestricted funds. The trustees resolved that the charity should continue in existence, supporting carers in our area with grants of money until those residual funds have been fully disbursed.

How our activities deliver public benefit

Carers of Epsom offers small grants to support carers who live in the borough of Epsom and Ewell, or in in the northern part of the Borough of Reigate and Banstead, to help meet their needs, whether physical or emotional, to promote their wellbeing, and to help reduce feelings of isolation. This may be through specific grants to individual carers, grants to other charities or by assisting with the cost of support groups and events for carers in the area.

We promote the availability of our grants via our public website, and via other agencies such as local Citizens Advice, local Age Concern, Action for Carers (Surrey) and Turn2Us.

Activities in the year

Grants awarded:

- We made grants to the following organisations which support carers in our area:
 - The Brigitte Trust
 - Ruxley Special Needs support group
 - Our local Frontal Temporal Lobe Dementia group
- We paid for three carers to have courses of driving lessons
- We helped reduce physical strain on a carer by purchasing a power pack for a wheelchair
- We paid for three carers to have holiday breaks
- We bought a tumble drier for one carer, and helped another carer with living expenses while she was awaiting a Universal Credit payment
- We helped a carer to stay in her home by helping with her rent arrears

Structure, Governance and Management

Governing document

The organisation is a charitable company limited by guarantee, incorporated on 22 December 2006. The company is the successor to an unincorporated charity which was established in 1988 and which transferred the entirety of its activities, assets and liabilities to the company with effect from 1 June 2007. The Memorandum of Association determines the objectives and powers of the charitable company and is governed under the Articles of Association. Members of the company guarantee to contribute an amount not exceeding £1 each in the event of the company being wound up.

Recruitment and appointment of Board members

The Board seeks to ensure that its members provide the variety of skills necessary to exercise good governance, and include carers, former carers, and professional carer support workers who have personal knowledge and experience to understand both the issues and needs that confront carers. When necessary we advertise for new trustees through various agencies to enhance our skills mix.

One third of the trustee directors must retire by rotation at each annual general meeting.

Trustee/Board induction training

Prospective trustees are invited to attend a Board meeting as an observer before they commit themselves to becoming a full member. Trustee training is available locally from time to time and Board members are encouraged to attend.

Risk management

Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. Internal control risks are minimised by the implementation of financial controls and procedures for authorisation of transactions.

All applications for grants are considered by the full trustee board. If approved, payment of grants is subject to dual authorisation by two trustees. A report of applications received and grants paid out is provided to the trustee board on a quarterly basis, and reconciled to the treasurer's report

Organisational structure

The Board consists at present of 8 trustees who meet quarterly. They are responsible for the policies, strategic direction and financial stability of the organisation. Between quarterly meetings the business of the board is conducted by email using encryption and passwords as appropriate to preserve confidentiality.

Aims, objectives and strategy

The organisation aims to benefit the public by ensuring that:

- Carers feel that they can remain part of their community.
- Carers have a break from caring
- Carers have more choice and control over day to day life whilst choosing to continue to care
- Carers are able to maintain / make friendships and relationships
- Carers are able to undertake leisure activities and learning activities
- Carer are able to carry on caring where this is their choice
- Carers are helped to maintain their health and wellbeing e.g. exercise, complementary therapies, stress reduction activities.
- Carers are able to remain in or return to employment.
- Carers are supported to remain safe

The trustees have referred to the guidance contained in the Charity Commission general guidance on public benefit and have regard to that guidance when reviewing the aims and objectives of the charity and in planning its future activities. In particular the trustees consider how planned activities will contribute to the aims and objectives they have set.

Financial Review

Funding sources

We have no sources of funding other than investment income, occasional donations and bequests

Free Reserves and Reserves Policy

The Board's policy has been to review the financial risks facing the organisation (see Risk Management section above) and to quantify both the probability and magnitude of various risks; to set both an upper and a lower limit to unrestricted reserves to be maintained for such purposes; and to act to increase or decrease expenditure if the reserves fall outside those limits. Following the closure of our active support and advice services our need for reserves is now minimal. Actual unrestricted reserves at the year-end were £80,540 (2019 £88,791). We intend to use these remaining reserves for the benefit of carers in Epsom, Ewell and Banstead.

Restricted Reserves

We no longer have any restricted reserves.

Plans for the future

The Board intends to continue to apply the remaining reserves of the charity for the benefit of carers in Epsom, Ewell and the Banstead area. When these reserves are exhausted, the charity will be wound up.

Responsibilities of the Board of Trustees

The trustees (who are also the directors of Carers of Epsom for the purposes of company law) are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. The Trustees are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Members of the Board of trustees

Members of the Board of trustees, who are directors for the purposes of company law and trustees under charity law, who served during the year and up to the date of this report are set out on page 3.

Small company provisions

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

**Independent Examiner's Report
to the Trustees of
Carers of Epsom
for the Year Ended 31 March 2020**

I report on the accounts of the trust for the year ended 31 March 2020 which are set out on pages 9 to 14

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND INDEPENDENT EXAMINER

The charity's trustees (who are also the directors of Carers of Epsom for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under section 43(2) of the Charities Act 1993 (the 1993 Act), as amended by section 28 of the Charities Act 2006) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts (under section 43(3)(a) of the 1993 Act, as amended);
- to follow the procedures laid down in the General Directions given by the Charity Commission (under section 43(7)(b) of the 1993 Act, as amended); and
- to state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S STATEMENT

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on whether the accounts present a 'true and fair view'.

INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the trustees have not met the requirements to ensure that:

- proper accounting records are kept (in accordance with section 386 of the Companies Act 2006); and
- accounts are prepared which agree with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The Trustees are satisfied that the charitable company is entitled to exemption from the provisions of the Companies Act 2006 (the Act) relating to the audit of the financial statements for the year by virtue of section 477, and that no member or members have requested an audit pursuant to section 476 of the Act.

The Trustees acknowledge their responsibilities for:

- (i) ensuring that the charitable company keeps adequate accounting records which comply with section 386 of the Act, and
- (ii) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of section 393, and which otherwise comply with the requirements of the Act relating to financial statements, so far as applicable to the charitable company.

These financial statements have been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006 and with the Financial Reporting Standard for Smaller Entities (effective April 2008).

These financial statements were approved by the Board on the 17th March 2021 and are signed on their behalf by:

Shaun A Jones, Treasurer

Company Number: 6037020

Notes forming part of the Financial Statements for the year ended 31 March 2020

1. Accounting policies

The principle accounting policies are summarised below. The accounting policies have been applied consistently throughout the year.

(a) Basis of accounting

The financial statements have been prepared under the historical cost convention, in accordance with the Financial Reporting Standards for Smaller Entities (effective April 2008), the Companies Act 2006 and the Statement of Recommended Practice: Accounting and Reporting by Charities issued in March 2005.

(b) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Designated funds are unrestricted funds earmarked by the Management Committee for particular purposes.

Restricted funds are subject to restrictions on their expenditure imposed by the donor.

(c) Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy.

○ The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities.
- Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.
- Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.
- When funds are received and are not immediately required, they are invested so that they may earn interest. These investments can be drawn on as required.
- Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

(d) Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be recovered, and is reported as part of the expenditure to which it relates:

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries.

It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include accountancy fees and costs linked to the strategic management of the charity.

2. Resources Expended

	2020 General Fund £	2020 Restricted Fund	2020 Total	2019 Total £
Charitable Activities:

Compliance Fees	48		48	48
	<u>528</u>	<u>0</u>	<u>528</u>	<u>788</u>

4 Trustee remuneration and related party transactions

No trustees received any remuneration for their services during the year. No trustees were reimbursed for out-of-pocket expenses during the year (2019 - nil).

No trustee or other person related to the charity had any personal interest in any contract or transaction entered into by the charity during the year or the previous period.

5 Taxation

As a charity, Carers of Epsom takes advantage of reliefs available from Income or Corporation Tax and Capital Gains Tax. No tax charges have arisen in the year.

6 Tangible fixed assets

There are no tangible fixed assets with any monetary value.
